

*Cindy Cunningham-Gipp*

Benefits Consultant and Business Advisor

Cindy Cunningham-Gipp has been in the health care industry for more than 30 year. As an Employee Benefits Consultant for CAPAX, Cindy brings her experience working for an insurance carrier, a third party administrator and a large multi-specialty medical group as she assists her clients. Cindy has a proven track record of meeting company budget requirements while maintaining employee satisfaction. Cindy provides comprehensive consultative services to her clients including strategic planning for employee benefit packages, assessment of business goals as well as workplace wellness education.

Cindy is an industry and community leader serving as past President of the Modesto Association of Health Underwriters, board member of the Central Valley Human Resource Management Association, and the Hughson Family Resource Center and Board President of the Hughson Unified School District.

Cindy is a local product, having graduated from Hughson High School. Cindy has a Bachelors of Science Degree in Organizational Behavior from University of San Francisco. She has been a licensed health insurance agent since 2005.
